**Update: The District has replaced every single bike stolen from
Blackberry Sweets on Columbia Pike with a blank metal bike
frame. The bike thieves struck the store over the past month
and a half, stealing over \$30,000 worth of bikes. Police suspect
the thieves stole the same number of bikes from other stores.
Thankfully, the bikes have a serial number etched in the frame,
allowing them to trace them. However, they couldn't trace the
last bike stolen from the store to a return location, so police
can't identify or arrest anyone at this point. Anyone with
information can call the Prince George's County Police
Department at 301-772-4928. Oct. 23: Update: The bike thieves
from Maryland stole yet more bikes from several stores**

including John Street Bike Works, Rivet Revival, Jäger On John, DCBike, East Village Bikes, Ida Bikes, DC B-cycle, Jack-in-the-Box, and bike to work to support their loved ones. They stole one bike from Jäger🔪
